

CHALLENGES

No one likes difficulties but a life without challenges is very boring. It is part of growing up. We will make the growing person pain free* without the hassle of dealing with medical bills*. We cannot make you pain free* without your help. Contribute by referring your friends and family to us as well as calling us and scheduling your appointment.

Answer to will P.T. help me can be found in our FREE e-book

There are tons of testimonials from raving fans on our website-check it out, better yet why don't you experience it yourself? We like to pleasantly surprise our clients (those under our care and protection) occasionally. If you are being helped to become pain free then you have a moral obligation to refer your friends and family so we can help them as well. When you refer, we will make you a HT VIP.

Our NEWSLETTER is online at website with great PT articles

Many people took the action of referring their loved ones in pain so we want to thank them by making them HT VIP. If you feel it's a good deed to refer someone so they can be pain free* then give them the gift certificate in this postcard.

Hundreds of doctors have been referring their patients to us so we can make fellow human beings pain free* without the hassle of dealing with medical bills.
