Hello,

If you are looking for the cheapest option for Physical Therapy then we are not the right choice for you but if you are looking for the best option for your Physical Therapy needs then you are in the right place. My name is Dharmangini Shah, I am the operations manager at Healing Touch Physical Therapy. My job is to answer all your questions and concerns. I can also try to save you some money. Although it is illegal for me to waive your co pay, I can help you find savings by reducing your visits while increasing your treatment potential. I am here Monday- Friday 9:30 am to 3:30 pm, please call me or stop by so that I can address all your questions and concerns regarding your recovery. Again, my name is Dharmi and I am here to make your recovery process at Healing Touch Physical Therapy smooth. If the Therapist decides to see you again that means we can help you get better. If you can maintain a positive attitude and follow instructions and home exercises our Therapists give you, together we can reach your recovery and reach it as quickly as possible. Talk to me, let me know what you are looking to get out of physical therapy and I will make it happen.

If you want to attend adult day care or and receive home care services, talk to me and I will arrange it for you.

Sincerely

Dharmangini Shah
