

# Healing Touch Physical Therapy & Rehabilitation P.C.

## Operating Protocols

Dear patients,

We would like to inform you that we are here to help you. We realize that you cannot stop pain and other ailments. With the current situation, Healing Touch Physical Therapy will be open M-F 8 am to 8 pm to serve our clients beginning on 6/15/20.

We have implemented numerous precautionary strategies to keep everyone safe including limiting the number of patients we see at a time, re-arranging furniture, checking temperature of patients etc. Clinicians will be wearing gloves, masks, and face shield. Upon entering the clinic, your temperature will be measured. For everyone's safety If you have a fever, we will not be able to see you. We also expect you to be wearing masks.

We hope you understand the temporary changes we have implemented and hope to take care of you despite the difficult situation we are facing.

Thank you in advance for your cooperation.
